NEW YORK, MONDAY, MAY 4, 1891.

Ben Ali Was Searched at Newtown March 12 and Had No Such Knife.

Doubt Cast on the Long Island Jail Stabbing Story.

Important Links Still Wanted to Prove Him the Ripper,

Byrnes Does Not Think the Jamaic Prisoner Is Carrie Brown's Companion.

Ben Att. the unfortunate Algerian known statter than the min who registered as "C. ously as Frenchy No. 1. George Francois and Frank Sheritck, persists that he is in ent of the horriote murder of old Carr

Frenchy is taking life comparatively easy in cell 63, at the Tomos, cats and sleeps well, and to all appearances is a model prisoner. Since his counsel, Levy, Friend and House, have taken hold of his care, the Algerian's spirits have brightened considerably, and he seems confident that ultimately he will

completely exouerat d from the suspicion cast upon him that he is New York's "Juck he Frenchy's lawyers have been considerably handleapped in their efforts to get information from their client, from the fact that he speaks very little English and scarcely more French.

them has been in broken Frenci, but the firm

pe in a day or two to be in what Inspect-

Byrnes calls . au intelligent position " regard ing the minutest details of the case. Since he was interviewed on Saturday, Frenchy has implicitly obeyed his attorney

instructions to talk to no one. Frenchy's counsel are as confident as ever that their elient cannot be convicted. baid one of the firm this morning:

"Even if Fren he was to be indicted to-day we could go to trial with him to-morrow, and no jury under heaven would convict him of the nonsensied evidence that the police have

Inspector Byrnes was at Headquarters early this morning, but went away again in a few minutes and his whereabouts were unknown most of the morning.

It is an open question as to whether a very

was last seen in old "Shakespeare's" company and with whom she went up to the fatal
room it in the East River Ho el.

The Inarector's neglect to send one

The Inspector's neglect to send one of his men to see the man under arrest at Jamaica leads many to suarrest at Jamaica leads many to sue little pect that the Inspector cares little pect that the Many Miniter, the housekeeper, would probably be set to go out of dover when he engaged the room with the enough this mining to red the papers, and woman who was soon after found so garded as encouraging. brptally mangled, while others intimate that the In-pector already has this man in custods

The tracing to Frenchy of the knife with Which Carrie Brown was killed is the most important work with which Inspector Byrnes

The Inspector has the unsupported statement of awindlin a man out of \$350 by the green goods sawdest game. Thomas was arrested in Chicago. sentence for drunkenness that Frenchy, while serving a term at the time they were inmates of the Queens County Jail, had in his posse on the knife, or one like it, with which the Bendish butchery was committed.

As far as an EVENING WORLD reporter could learn, the knife, if Frencht had one, was only seen by these witnesses, David Gilloway and Edward Smith.

The constable who arrested him and who searched him thoroughly, and the Justice who sentenced him, never saw it.

Fronchy was arrested on March 12 last at ewtown, not Middle Villa ie as Sheriff Golisen misinformed the New York police, by Con-

stable James Huand for begging. Constable Hiland saw him come ont of a store where he had been asking for alms and locked nim up.

Frenchy had his arm in a sling, and the constable, probably to make his case stronger secused him of being an impostor. "Your arm sin't sore at al," he said.

"You've pet that bandage on to escape work and to excl: e sympathy. Frenchy gave the constable the He, where-

upon Haland tore the bandage from his arm. "I'll show that there is nothing the matter with your arm," exclaimed Hilland, and no setsed it and moved it up and down severa nes w th great force. The unfortunate man gave a howl of pain.

which the intelligent constable said was part of the by-play. "There was no physician called who exam-

ined Frenchy's arm and who gave it as his ion that Frenchy was only 'faming,' as Lapector hyrnes stated to the reporters, " s..to Town Clerk John Rob nson. Justice Scheper, however, was of Hiland's

opinion, and had it not been for Salson-Kreper heller, who put in a good word for Frenchy, he would have got sixty days instead of thirty. The Town Clerk made careful inquiry for the reporter as to wnether a kutfe was found in Frenchy's possession.

The man was searched and if he had had a knife it would have been taken from him."

said he. "He was locked up here all night special issue." and next day taken to jail at Long Island
